

RALEIGH VILLAGE EAST NEWS

11th of August 2021

RALEIGH VILLAGE EAST VOLUNTEER NAVIGATORS

We are inviting you to become an aging in place volunteer navigator with Raleigh Village East. You will learn how to be a friendly neighbor who helps seniors with services and strategies by identifying and securing those that allow them to age in their own home and community with people of their choosing.

Resources For Seniors will conduct a training session in late September to early October and remain at your disposal as a resource, along with RVE in its entirety. You will be taught the basic availability of in-home support and assistance.

“Resources for Seniors serves older adults and adults with disabilities in Wake County by providing home and community-based services and information so that they can maximize their choices for independence, comfort, safety, security and well-being.”

We’ve had a good year, despite the pandemic, helping our residents and other neighborhoods get COVID vaccines, sponsoring Zoom sessions on finances and retrofitting your home, sponsoring a cooking contest called Aluminum Chef and a Christmas toy drive for Wake Pediatrics.

We hope you will join us. Those of us who have already been involved have found it to be a rewarding experience. Please be in touch with Sara Stohler at shohler00@gmail.com or 919-821-4338 if you are interested or have questions.
